Business and Government Review

1968-69 CUMULATIVE INDEX

School of Business and Public Administration
University of Missouri-Columbia

The Business and Government Review is issued bimonthly by the Research Center, School of Business and Public Administration, University of Missouri — Columbia. Circulation in Missouri includes college and university faculties, businessmen, bankers, legislators and public officials. Increasing national and international requests are received and honored.

BGR is indexed in Public Affairs Information Bulletin, a standard reference guide found in most libraries. Recent additions to special biographic listings of the BGR are provided by ABC POL SCI and will soon be available through University Microfilms, Ann Arbor, Michigan.

Frequently our articles and monographs are briefed in Marketing Information Guide — U.S. Department of Commerce.

Manuscript submissions to the Business and Government Review may be directed to —
